

Assessment of Countermeasure Gaps, Predictive Crash Analysis and Engineering Safety Programs in
Michigan

OR15-194

Requisition #1847

October 22, 2015

Q: Requisition #1847 (OR15-194) must be led by a Michigan university, however the RFP does not have this restriction. May qualified Consultant-led teams proposed on this RFP?

A: Requisition #1847 (OR15-194) must be led by a Michigan university. An organization that is not a Michigan university may be included in the research team but the primary contractor must be a Michigan university.
